

AI-CHAMP

AI Champions Program

Four modules and 90 days of support, after which AI in your company has a team instead of one lonely delegate.

DURATION

4 on-site days + 90
days of office
hours

GROUP

up to 10 people

FORMAT

In-house · In the lab · German or English

THIS EXISTS AFTERWARDS

- ▶ Up to ten champions who use assistants confidently, guide colleagues and know when to escalate
- ▶ A filled and maintained use case pipeline with an evaluation grid and a maintenance routine
- ▶ An internal community with channel, rhythm and escalation paths that keeps running after the program
- ▶ A material package of guides and training materials with a license for internal reuse
- ▶ A transfer report after 90 days with a before-and-after measurement per champion area

AGENDA

Module 1	Baseline and role clarity · Mastering the tools · The first own case · Practicing explanation · Module result: learning map and first job aid
Module 2	From hallway talk to pipeline · One-pager workshop · Scoring with the value-risk grid · The pipeline board · Module result: the pipeline is alive
Module 3	The internal learning session · Building sessions from the material package · Dress rehearsal · Building the community · Module result: dates are set
Module 4	Cutting the pilots · Making it measurable · The transfer dashboard · The appearance before leadership · Module result and starting signal
Afterwards	Office hours and transfer

YOUR TRAINER

Dino Bordonaro

Microsoft MVP for eight consecutive years (Microsoft Azure · Cloud and Datacenter Management), Microsoft Certified Trainer, almost 30 years in IT. Builds sovereign AI systems on own hardware (Azure Local, Foundry Local, NVIDIA GPUs) and trains on exactly that. More than 800 professionals trained, every concept proven in his own enterprise lab in a TÜV-audited datacenter.

The program enables your people. It replaces neither a tool rollout, nor a governance structure (AI-GOV), nor a managed service. The champions carry the transfer, and we keep their backs free in the office hours.
